WOMAN WINS \$1.4 MILLION JACKPOT AT SPA RESORT CASINO

PALM SPRINGS, CA (May 27, 2008) – The recent Memorial Day holiday will no doubt be unforgettable for one Los Angeles area woman who won a \$1.4 Million jackpot at Spa Resort Casino in Palm Springs.

Aida, a retired jeweler from Northridge, Calif., won the life-changing, million-dollar jackpot on a Millionaire 777s progressive slot machine. Her bet was just \$3.00!

According to Aida's son, she was on a two-day vacation at the popular Palm Springs gaming resort. He explains the winning moment: "She had just cashed a \$100 bill and the Millionaire 777s machine was only the second one she played."

"She called me right away and was crying," Mike added. "She told me that she had this feeling she was going to win something big, but she was still surprised when it happened."

Mike says his mother plans to use some of her winnings to help her family and to perhaps take a longer vacation. "It comes at a great time for us," he said.

As of May 24, 2008, the Millionaire 777s progressive link has paid out an impressive \$28,484,429.28 to lucky winners nationwide.

And at Spa Resort Casino, guests have won more than \$10 Million in jackpots just in the month of May!
