CHRIS ISAAK—MAY 22, 2009 • 9:00pm • Tickets: \$75, \$55, \$35

Chris Isaak is best known for his breakthrough hit "Wicked Game" a spare, moody ballad from his third album, Heart-Shaped World, that was featured in the film Wild At Heart. The song went Top Ten in 1991, and the video, a steamy Herb Ritts-directed clip featuring the singer rolling around on the beach with a topless Helena Christensen, made Isaak a star.

Over the course of his career, Isaak has released nine extraordinary albums, twelve singles, been nominated for two Grammy awards, acted in several motion pictures and starred in his own critically acclaimed TV series. His legendary shows with his longtime band Silverstone have entertained tens of thousands of people for over two decades. Even his hair has its own fan club.

Now, Chris Isaak brings his legendary rockabilly style to The Show at Agua Caliente Casino Resort Spa in Rancho Mirage, California to promote his latest album "Mr. Lucky" which features a rich mix of rockabilly ballads.
