PARADISE JACKPOTS STRIKES TWICE IN ONE DAY AT AGUA CALIENTE CASINO!

Rancho Mirage, Ca (July 24, 2007) – Guests at Agua Caliente Casino in Rancho Mirage got a double dose of jackpot fever over the weekend as Paradise Jackpots struck twice in the same day—for the first time ever!

The first winner was Dennis from Cathedral City. Just before 2:30am Sunday, he hit a very cool \$97,832.06 on a Game King Deuces Wild slot machine. 244 other people playing slots at the time with their Paradise Rewards card also won \$50!

But the celebration was far from over. The jackpot reset at \$25,000 and less than 14 hours later, struck a second time. Glenn, a resident of Palm Desert, took home the second Paradise Jackpot worth \$26,620.75. 255 lucky guests playing slots with their card also won \$50 as part of the festivities.

Sunday's jackpots come just a month after two Paradise Jackpots struck in two days at Agua Caliente Casino.

Seventeen Paradise Jackpots worth a total of \$1,385,156.46 have been paid out at Agua Caliente Casino and Spa Resort Casino since the promotion began in February.

Paradise Jackpots is a permanent, progressive slot promotion at Spa Resort Casino in Palm Springs and Agua Caliente Casino in Rancho Mirage. These are the only casinos in the desert and surrounding areas to offer this terrific way to win big! The Paradise Jackpot starts at \$25,000 and is guaranteed to hit by \$100,000, but you can't win if you're not playing with your Paradise Rewards card!
